~ Teaching, Preaching,  
Training, Mentoring~

1 Cor. 9:16 "When I preach the gospel, I cannot boast, for I am compelled to preach. Woe to me **if I do not** preach the gospel!"

Do you like what you do? As you look at your day, and consider what fills most of your hours, are you able to do what you want? As we begin a new year, we are grateful that we get to do **exactly** what we want: reach the lost, teach and mentor pastors and preach Hope! We are excited to bring practical truth to pastors and church leaders all over the world.

Of course, this great labor takes us far from our family. Especially for those of you that have stood alongside us in this mission since our kids were young, we like to update you on how our family is doing. The start of a new year seems like the best time to do just that.

In this letter you'll find pictures along with details about our kids and their lives.

Our daughter and son-in-law, Valerija and Jonathan, live in Post Falls, Idaho where Jo is beginning his 5<sup>th</sup> year in banking at Mountain West Bank. They are amazing gardeners and even canned a great deal of their own veggies this year! Val still loves music; she gives private piano lessons to several local students and

participates on the worship team at CDA 1<sup>st</sup> Assembly. They host a home group Bible study and teach Sunday school. Additionally, they are fantastic parents to the cutest, most adorable granddaughters in the world.

They live busy and full lives, keeping their focus on loving God and living according to His ways. We are super proud of them!

Our son Alex and daughter-in-law Natasha live in Medical Lake, WA. Natasha will graduate in June of this year from Eastern Washington University: a great accomplishment! Alex continues to serve at Lake City Assembly of God as Youth Pastor and Minister of Worship. In August, he led his first foreign missions trip to Honduras! Their youth group is called "Thrive" – an appropriate name for a group of young people choosing to live a life with purpose and growing in the Lord! We thank God for the willingness Alex and Natasha demonstrate to be used of the Lord to do good in their community and throughout the world.

Psalms 57:7 says, "My heart is fixed, o God, my heart is fixed: I will sing and give praise"

Those are words of determination!

May you also have a determined mind-set; gaining strength from God's Word with each new day and each new challenge that comes with this New Year.

More than ever, we need you involved in the task before us! We are determined to bring truth to all nations and have many prayer needs as we attempt to fulfill God's purpose in our lives.

Please continue to pray for our family: that they would be single-minded in their determination to live according to God's ways and for protection and safety in their minds, bodies and spirits.

Pray for the upcoming presidential election in Russia. Many of you are already praying for the election in America so it will be easy to remember Russia's election, too!

Pray for our economic needs in this mission: as we travel and see the hardships people are living with, we are struck with the overwhelming enormity of God's urgent love for each and every person in the world.
